#### *PROTECT YOUR TRAVEL INVESTMENT:*

*It is highly recommended that you protect your investment with travel insurance. Cancellation and interruption insurance covers in case of cancellation due to an insurable reason. We require adequate out of country medical insurance for unforeseen medical emergencies while traveling. The All Inclusive Plan includes both out of country medical and cancellation/interruption insurance. The rate for travel insurance is determined by the cost of the tour (can be increased to cover flights and other extras), the length of travel and your age.*

- Please provide me with a quote.
- No thank you! I am covered by another insurance provided.
- I am declining travel insurance.

## TERMS AND CONDITIONS

### GENERALLY

These terms and conditions form an agreement between you and us in relation to any travel, tour, transportation, accommodation or other product or service that you purchase through us (“travel services”).

### TRAVEL DOCUMENTS

It is your responsibility for determining what documentation you may be required to present in connection with your travel; including (but not limited to) tickets, photo identification, passports, visas, certificates and health information. It is also your responsibility to satisfy all entry requirements of the destination country or countries. The requirements vary by country and nationality and can change from time to time. We will do our best to inform travelers, but we will not accept responsibility for any loss, delays, changes, cancellations or costs if you are refused entry into any country, state, province or other jurisdiction for any reason.

We also recommend that you read your travel documents carefully as specific conditions for each travel supplier may be provided for your reference.

### VACCINES & OVERALL HEALTH

It is your responsibility to contact your doctor or public health clinic to discuss your health needs prior to travel. We will not be held responsible for any illness contracted while on a vacation. Your family doctor or public health clinic will advise what vaccines or medications are required for the destination.

### SMOKING POLICY

All trips offered are non-smoking and travelers are required to obey the “no smoking” rules imposed by the suppliers and their agents. All rooms are initially reserved as non-smoking. The only time smoking may be permissible in a room is where all parties to a room have agreed that smoking is acceptable and the particular room is a designated smoking room by that particular hotel (or provider).

### CANCELLATION AND REFUNDS

Cancellation charges vary depending on the tour and the suppliers involved. Please contact us directly for details on cancellation costs. We recommend that you purchase cancellation insurance. Deposit amounts requested at time of booking may differ from the tour operator. Non-refundable deposits will be stated at time of booking.

If you must cancel your trip we must receive written notice of such cancellation by email or regular mail service. The cancellation date will be deemed to be the date we receive your written notice.

For group travel tours, a minimum number of passengers may be required. In situations where a minimum number is required but not fulfilled, we reserve the right to cancel the trip without further notice. If this rarity should occur, we will provide you with a full refund.

## **PRIVACY POLICY**

Your privacy is important to us. Although we are required to collect personal information in order to plan your trip we will not disclose your personal information with third parties (without your consent) unless it is for the purposes of booking reservations associated with your trip. By sending us a deposit, you are providing us with the express consent to collect and use your personal information as required to plan your trip and serve your travel needs.

## **NO LIABILITY**

We are not responsible for any injury, accidents, death, dismemberment, or indirect, special, incidental, consequential loss or punitive damages whatsoever arising out of or in connection with the use of these travel services.

The third-party suppliers providing services are independent from us and not agents or affiliates and we are not liable for the acts, errors, omissions, representations, warranties, breaches or negligence of any such third party supplier or for any personal injuries, death, property damage or other damage or expenses resulting. Third party suppliers may impose tariffs and conditions that are unknown to us.

## **INDEMNITY**

You agree to indemnify and keep us, our partners, our affiliates and our associates along with their respective directors, officers, employees and agents indemnified fully against all liabilities, damages, claims, losses, costs and expenses of any kind or nature, which may incur to a third party or you as a result of your breach of the provisions of these terms, your negligence or wilful misconduct, your misuse of the travel services or your violation of any law or the rights of a third party.

## **ACKNOWLEDGMENT**

By providing us with a deposit for a travel booking or by using our travel services you are confirming that you have read, accepted and are agreeing to be bound by these terms and conditions.
